Ojai Valley Chamber of Commerce Board of Directors

The Ojai Valley Chamber of Commerce Board of Directors is pleased to formally support the Casitas Municipal Water District (CMWD) in its use of all prudent efforts to acquire the assets of Golden State Water Company. Based on the plans and projections of CMWD, as the acquiring agency, this acquisition will enable CMWD and the Ojai Valley community to better control water rates for residential, commercial and agricultural customers in the future.

The resolution was approved by unanimous vote of the attending quorum of the Board on March 14, 2013.
