

Stop-the RipOff Golden State Water Meeting

November 19th, 2013 7:00 P. M.

Hewes Middle School

North Tustin CA. 92705

Agenda

Introduction: John Sears, Committee Co-Chair.

FCA Plan: Rick Nelson, PhD, President Foothill Communities Association.

Our plan, progress and next steps.

Richard Hajas, will detail how the Ojai organization formed, won an election and is engaged in a legal battle to remove Golden State Water Co. from the Ojai community. Richard is formerly a Camrosa Water District General Manager in City of Camarillo. He is also a water consultant to Casitas Water District and provides management services for a Sanitary District.

Q & A Panel will follow with:

Richard Hajas, Ojai.

Lisa Ohlund, General Manager; East Orange County Water District and Board Vice Chairman of The Urban Water Institute, Inc. In December Lisa will Chair the Institute.

Jeffery M. Oderman, is from the respected Rutan & Tucker Law firm in Newport Beach. Jeff is currently representing the community of Ojai who's goal is to transfer the local assets of The Golden State Water Company, a private company to The Casitas Water District, a public water agency, doing so gains local control and fair rates.

Jeff represented the community of Felton, CA. who succeeded in removing their private water company in favor of The San Lorenzo Water District, a public water agency in 2008.

John Sears, Co-Chair. Stop the RipOff Committee, Cowan Heights resident.
